Nightingale Pledge

I solemnly pledge myself before God and in the presence of this assembly to faithfully practice my profession. I will do all in my power to maintain the integrity, high standards and practices of the nursing profession.

I will hold in confidence all personal matters committed to my keeping in the practice of my profession. I will devote myself to the welfare of my patients, my family, and my community.

I will endeavor to fulfill my rights and privileges as a world citizen and share responsibility in promoting the health and welfare of the community.

I will constantly endeavor to increase my knowledge and skills in nursing and to use them wisely. I will zealously seek to nurse those who are ill wherever they may be and whenever they are in need.

I am committed to the nursing profession and will always remember that caring for a person is the highest calling for a nurse.
